

# LADERA ELEMENTARY

## Ladera Elementary School Supply List 2009-2010

"These materials will help support your child during the year. This is a voluntary donation to the school. No student will be denied supplies if you are not able to provide these items. However, if you are able, it certainly allows our school budgets to be spent on additional instructional materials. We have also found that students often take better care of materials when they have been brought from home."
